DEFINITIONS: "Contract" means the entire written agreement between the parties, including but not limited to any Invitation to Bid or Request for Proposal and its specifications, terms and conditions, solicitation instructions; solicitation addenda and contract amendments, if any; the purchase order or price agreement document.

"MB" means Mirabella, making the purchase and is synonymous with "Buyer" as used in Washington Revised Code Chapter 62A. The term "Contractor" means a person or organization with which MB has contracted for the purchase of goods, materials and/or services. The terms Contractor and Seller as used in the Uniform Commercial Code (Washington Revised Code Chapter 62A) are synonymous. RCW means the Washington Revised Code.

TERMS AND CONDITIONS: These Terms and Conditions ("Terms and Conditions") shall govern all transactions between MB and Contractor, subject to any terms and conditions appearing on the face of a separate purchase order ("Contract") issued by an authorized representative of MB. By accepting MB's Contract as provided herein, Contractor agrees to be bound by the Terms and Conditions outlined below.

AMENDMENTS: The terms, conditions, delivery, price, quality, quantities or specifications of this Contract shall not be waived, altered, modified, supplemented or amended in any manner whatsoever without prior written approval from MB. No exception to delivery dates shall be allowed unless prior written approval is first obtained from MB.

INDEPENDENT CONTRACTOR STATUS: This Contract is not intended and nothing contained herein shall be construed to create the relationship of agent, servant, employee, partnership, joint venture, or association between MB and Contractor, but rather an agreement between independent parties, these being MB and the Contractor.

OWNERSHIP OF WORK PROJECT: All work projects or any form of property originated or prepared by Contractor, which result from this Contract are the exclusive property of MB.

HANDLING: No charges will be allowed for handling which includes, but is not limited to, packing, wrapping, bags, containers or reels, etc. unless specifically stated herein.

DELIVERY: Time of delivery is of the essence and MB reserves the right to cancel any undelivered portion of an order for failure by the Contractor to deliver on time. Contractor assumes responsibility for delay notwithstanding the cause. All deliveries shall be FOB destination with all transportation and handling charges paid by the Contractor unless specified otherwise in the solicitation documents. Responsibility and liability for loss, damage, injury or destruction of goods and materials shall remain with Contractor until final inspection and acceptance by MB, at which time responsibility shall pass to MB except as to latent defects, fraud and Contractor's warranty obligations. MB will refuse to accept any COD shipment.

INSPECTIONS: All goods and materials furnished under this Contract shall be subject to inspection and test by MB at times and places as determined by MB. If MB finds goods furnished to be incomplete or not in compliance with solicitation specifications, MB may reject the goods and require Contractor to either correct them without charge or deliver them at a reduced price whichever is equitable under the circumstances. If Contractor is unable or refuses to cure any defects within a time deemed reasonable by MB, MB may reject the goods and materials and cancel this Contract in whole or in part. Nothing in this paragraph shall in any way affect or limit MB's rights as a buyer, including, without limitation, the rights and remedies related to rejection under RCW 62A.2-601 and revocation of acceptance under RCW 62A.2-608.

LIMITATION OF LIABILITY: MB SHALL NOT BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE, EXEMPLARY OR CONSEQUENTIAL DAMAGES, WHETHER IN AN ACTION IN CONTRACT OR TORT (INCLUDING NEGLIGENCE AND STRICT LIABILITY) RESULTING FROM ITS PERFORMANCE OR ANY FAILURE TO PERFORM HEREUNDER INCLUDING, BUT NOT LIMITED TO, LOSS OR ANTICIPATED PROFITS OR BENEFITS, EVEN IF MB HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. Any action resulting from any breach on the part of MB must be commenced within one year after the cause of action has accrued. MB's liability on any claim of any kind for loss or damage arising out of, in connection with, or resulting from this Contract shall in no case exceed the price of the particular materials, goods or services giving rise to the claim.

WARRANTIES: Unless otherwise stated, all goods and materials shall be new and current model and shall carry full manufacturer warranties. Contractor warrants all goods delivered to be free of defects in labor, material and manufacture and to be in compliance with solicitation specifications. All implied and expressed warranty provisions of the Uniform Commercial Code (RCW Chapter 62A) are incorporated in this Contract. All warranties shall run to MB. Contractor warrants that all goods and materials contained herein are free and clear of all liens, claims or encumbrances of any kind whatsoever.

INDEMNIFICATION: Contractor agrees to indemnify and hold harmless MB, its directors, officers, employees and agents, from and against any and all claims or liability (other than liability solely due to the negligence of MB), including reasonable attorneys' fees, arising out of or resulting in any way from any defect in the goods, materials and/or services provided hereunder or from any act or omission of Contractor, its agents, employees or subcontractors, including but not limited to (i) the negligence or willful misconduct of the Contractor, its agents, employees or subcontractors, (ii) any claim for bodily injury or death, damage to property or any claim by an employee or subcontractor of Contractor for wages and benefits, which occurs in connection with the performance by Contractor, and (iii) the sale or license to or by, or use by, MB of the goods and materials and/or services, including but not limited to any claim alleging the violation or infringement of any third party's patent, copyright, trademark, trade secret or any other proprietary rights. Contractor's obligation to indemnify MB shall survive the expiration or termination of this Contract by either party for any reason. Contractor may, at its option, conduct the defense of any third party action and MB will cooperate with Contractor's defense. If the use or sale of any goods, materials and/or services is enjoined as a result of any action or proceeding, in addition to such other rights or remedies that MB may have hereunder or by law, Contractor, at no expense to MB, shall obtain for MB and its customers the right to use and sell said item, or shall substitute an equivalent item, acceptable to MB, and extend this indemnity with respect to such item. In the event that Contractor is unable to secure such rights of use or to secure an equivalent item as a substitute for MB or its customers, Contractor will indemnify MB and its customers for any and all losses or damages sustained by reason of such injunction.

PAYMENT REQUIRED: For all goods, materials and services provided under this Contract, Contractor shall: (i) pay promptly as due all persons supplying labor or material (ii) pay all contributions or amounts due the industrial accidental insurance provider from the Contractor or any subcontractors; (iii) not permit any lien or claim to be filed or prosecuted against MB or any of its affiliates and (iv) pay to the Washington Department of Revenue all sums withheld from employees pursuant to Washington Law.

MB PAYMENT OF CONTRACTOR CLAIMS: If Contractor fails, neglects or refuses to pay promptly, as due, any claim for labor or services furnished to the Contractor or any subcontractor by any person in connection with the goods, materials or services if applicable, provided under this Contract, MB may elect to pay such claim and charge the amount of the payment against funds due or to become due to the Contractor under this Contract. The payment of a claim by MB pursuant to this paragraph shall not relieve the Contractor or its surety, if any, from obligation with respect to any unpaid claims.

CASH DISCOUNTS: If MB is entitled to a cash discount, the period of computation shall commence on the date the entire order is delivered or the date the invoice is received, whichever is later. If an adjustment in payment is necessary due to damage, the cash discount period shall commence on the date final approval for payment is authorized.

PAYMENT: Payment is normally made within 30 days following the date of the entire order is delivered and accepted or the date the invoice is received, whichever is later. Interest on any overdue payment may only be charged for non-payment after 45 days and is limited to two-thirds on one percent per month (8% APR) on the outstanding balance. All invoices, packing lists, packages, shipping notices and any other written document affecting this Contract shall contain the applicable purchase request number. Packing lists(s) shall be enclosed with each and every shipment pursuant to this Contract indicating the content herein.

If said Staff person worked for MB for a period of fewer than 6 months, the payment will be 6 times the average monthly compensation for the period worked.

SEVERABILITY: If any provision of this Contract is declared by a court to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if this Contract did not contain the particular terms or provisions held to be invalid.
